Hartford. Ct. Nov. 27th 1880

Gentlemen:

I am inclined to think that the canvassers are to determine whether there has been a failure to elect a Judge of Probate in any district by reason of two or more candidates having an equal and the highest number of votes: and that for this purpose they have the right to determine whether a ballot formally defective in respect to the full name of a candidate has a reasonable certainty of designation and was actually cast and intended for that candidate.

In the case in hand if there was no other known person in the probate district bearing the name of #Olson Gates nor any bearing the name of #E. Hollister I should with my notions of the question declare a tie

Yours very respectfully
R. D. Hubbard

I concur in the foregoing opinion of
Gov Hubbard
